Recommendation for Kris Trudeau

I am pleased to recommend Kris Trudeau.

During the past year Kris Trudeau has volunteered her creative and technical skills for Urban Youth Adventures. Her work has helped Urban Youth Adventures, a new charitable organization, to develop a consistent and compelling public image through photos, newsletters, website and special event promotional materials. Kris is great to work with. She quickly understood the needs, mandate and opportunities of our organization and quickly applies her innovative energies to the challenges.

The work she has done for us includes:

- Event photography – including shooting photos as well as organizing and correcting the photos.

- Newsletter design and layout

- Website design and development

- Print materials designed and prepared (posters, signs, tickets, cards and t-shirts)

In each of these ways she has provided a consistent, creative and professionally compelling image for our organization.

Kris' positive attitude and passion – together with her excellent skills – make her a great person to work with. In addition, Kris pays close attention to details, is conscientious, generous and well organized. Kris is a gifted professional who is a pleasure to work with. I have no hesitation in recommending her highly.

Please do not hesitate to contact me if I can assist further.

Sincerely yours,

Cornelius Buller, Ph.D.
